

I approached two travel agents to enquire about my planned trip to the UK, the second one was to Travelaction where I spoke to Jenni whom I ultimately went with. So glad I did!

I am definitely not a seasoned traveller (yet)but as I am in my seventies and had never been overseas before and a bundle of nerves Jenni was nothing short of brilliant and I certainly tested her I am sure. I have had a dream to see the Uk for as long as I can remember and thought a tour was my best option. Jenni worked out a few tours for me and I chose the one that I thought suited me best . She helped me with my cash cards and organised assistance for me to my connecting flights. My accommodation in London was lovely as was the rest of my trip which was amazing, thank you for all of your help Jenni.
